FOODSERVICE

Graphic  
Packaging

INTERNATIONAL

Graphic Packaging International offers a wide range of food packaging to serve many different menu items, from small sides to family style meals. Our high-quality food containers can be used with hot or cold foods to maximize the usage of your packaging. The secure paper and plastic food lids allow consumers to easily carry out meals with ease, while minimizing spills in the car. It also meets the Sustainable Forestry Initiative® (SFI®) Certified Sourcing standards, ensuring that fiber used comes from responsible, renewable sources.
