

Econopaxx™ is a foodservice product innovation that provides an effective paper based alternative to plastic on-the-go structures. As demand for sustainable foodservice packaging continues to grow, EconoPaxx containers are the paperboard-based solution that meets your customer's needs. Made from 100% recycled fibre*, these products are recyclable and FDA and CFIA compliant for direct food contact. Additionally, the grease and moisture-resistant barrier in every container minimizes the transfer of oils and maximizes your customer's to-go experience.

Sustainability

- Made with paperboard from 100% recycled fibres and is recyclable
- Fibre is responsibly sourced under FSC® chain-of-custody parameters

Operational Efficiency

- Containers are available in a wide range of sizes and are FDA and CFIA compliant for direct food contact
- Products are PFAS-free
- Interchangeable for use with both hot and cold items, decreasing the number of containers that need to be stocked
- Manufactured in Canada, using 100% Canadian paperboard

Consumer Experience

- In-demand sustainable foodservice packaging
- EconoPaxx containers use an aqueous barrier that provides maximum grease and moisture protection
- All containers are completely custom printable, allowing you to reinforce your branding messages

3900-0

#1 CONTAINER

Case Qty: 450 (9/50)
Case Weight: 25.0 lbs
Case Cube: 3.45
Height: 2.5"
Bottom: 4.375x3.5"
Top: 5.0x4.5"
Fluid Ounce: 26 fl oz
Pallet: 25

3902-0

#3 CONTAINER

Case Qty: 200 (4/50)
Case Weight: 21.0 lbs
Case Cube: 3.45
Height: 2.5"
Bottom: 7.75x5.5"
Top: 8.5x6.25"
Fluid Ounce: 66 fl oz
Pallet: 25

3903-0

#4 CONTAINER

Case Qty: 160 (4/40)
Case Weight: 23.0 lbs
Case Cube: 3.45
Height: 3.5"
Bottom: 7.75x5.5"
Top: 8.75x6.5"
Fluid Ounce: 96 fl oz
Pallet: 25

3904-0

#8 CONTAINER

Case Qty: 300 (6/50)
Case Weight: 23.0 lbs
Case Cube: 3.45
Height: 2.5"
Bottom: 6.0x4.75"
Top: 6.75x5.45"
Fluid Ounce: 45 fl oz
Pallet: 25

3905-0

#9 CONTAINER

Case Qty: 200 (4/50)
Case Weight: 20.0 lbs
Case Cube: 3.45
Height: 3.0"
Bottom: 7.75x3.5"
Top: 8.75x4.38"
Fluid Ounce: 55 fl oz
Pallet: 25

Alternative tuck top closure available on custom orders - please inquire for further details.

*All the recycled paperboard that we sell meets the requirements of the Recycled Paperboard Alliance 100% (RPA100), Sustainable Forestry Initiative® Certified Sourcing, and Forest Stewardship Council® Chain of Custody certification programs. The RPA100 certification program, which is third-party audited, validates that the paperboard is made with 100% recycled fibre. A copy of our current certificates can be found on our website.

100% Recycled Fibers and Recyclable
