INTERNATIONAL

Post Consumer Recycled Fiber

Being GREEN just got easier.

PCF single use paper hot cups from Graphic Packaging International are made with a minimum of 10% post-consumer recycled fiber. This beverage packaging option can promote your commitment to the environment with your customers, while helping you meet the sustainability goals for your business. These single-use paper hot cups can be complimented with our plain or printed Cup Buddy® kraft sleeve, made from 100% recycled and 60% post-consumer fiber.

Features

- Made with a minimum 10% post-consumer recycled fiber
- FDA compliant
- Renew World™ stock design or custom printing available
- Common lid to fit all three hot cup sizes
- Made in the U.S.A.
- Fiber used meets the Sustainable Forestry Initiative® (SFI®) Certified Sourcing standards
- Recyclable where facilities exist
