Packaging

INTERNATIONAL

In today's fast paced world, more meals are prepared outside of the home than in. The majority of consumers want to consider the environment and believe that packaging makes a big difference. Graphic Packaging International is pleased to offer our Short Bucket product line designed specifically to support the emerging trend of food on-the-go.

**FEATURES**

**SHORT BUCKET**

- Strength and sturdiness to support heavier foods
- Coated inside and outside for maximum grease resistance
- Developed for use with hot or cold foods
- Excellent printing surface to enhance your brand
- Raised bottom surface protects hands from heat transfer
- Stackable design for efficient handling
- Available in stock (Carte Blanc®) and custom prints

**LID**

- Clear, anti-fog, vented polypropylene dome lid
- Vented lids keep food fresh and crisp
- Anti-fog coating provides enhanced shelf appeal
- Secure, snap-on fit to prevent leaking

Both the bucket and lid are made in the USA
