

Notice to Customers:

Graphic Packaging International, LLC is the vendor with which you are doing business.

All payments should be made to Graphic Packaging International, LLC.

The Taxpayer Identification Number (TIN) in the attached Form W-9 is for GPI Holding I, Inc, which is an indirect parent company of Graphic Packaging International, LLC. Below is an explanation regarding why Form W-9 is being furnished to you in this manner.

Graphic Packaging International, LLC is a disregarded entity for US income tax purposes and accordingly its activity (e.g., income and expenses) will be reported on the income tax return filed by GPI Holding I, Inc.

Form W-9 must be completed in the name and TIN of a regarded taxpayer, which is why GPI Holding I, Inc., is listed on Line 1 (as the beneficial owner of the income) and Graphic Packaging International, LLC is listed on Line 2 (as the "doing business as" name). This approach follows the instructions to Form W-9.

If you have any questions, please contact your Graphic Packaging sales executive, account executive, or buyer.
